

Monroe County Soil &
Water Conservation District

**TREE &
SHRUB
PROGRAM**

We offer a variety of **bare root** seedlings such as conifers, shrubs, trees, fruit bearing, flowering plants, and *more!*

This **pre-order** program offers a chance for those interested in ordering native plant species that can be used for:

The **deadline** to order is **March 1, 2019.**

The Program's **Catalog & Order Forms** are available at our office or through the Conservation District's Website:
