

# WELCOME MESSAGE

01

Welcome to the Town of Riga Rec handbook and program offerings - Fall 2025.

I am so excited to be your Recreation Supervisor. I come to you with almost thirty years experience as a Physical Education teacher, Coach and Summer Camp Director.

I can't wait to meet everyone and work together to make Riga an even better place to live, play, and grow. I would appreciate to hear your ideas for making recreation more inclusive here in Riga

I have a love for building community and a passion for creating fun, inclusive programs for all ages. From sports and special events to family activities and everything in between, I look forward to working with you to continue to bring ideas, energy and excitement to the Town of Riga.

Whether your looking to develop a skill, stay active or try something fun, use this handbook as a guide to many of the programs we are offering this Fall.

If you are interest in a new program, wish to lead an activity or simply want more information, please reference this catalog, our website or contact the Recreation office. We hope that you will join us!
