# Camp Procedures

## About Riga Rec Summer Camp

Our program is in session Monday - Friday, for seven weeks. Camp runs from June 29<sup>th</sup> through August 14<sup>th</sup>. Camp remains open rain or shine. If there is inclement weather, we will keep the campers inside.

Riga Recreation Camp is certified with the Monroe County Health Department, and has strict guidelines to follow for the safety of your children.

Mr. David Childs is the Summer Camp Director. He earned a Master's degree in Health Education/Community Health Promotion from Mississippi State University. David has been a Physical Education teacher, Coach, Aquatics Supervisor and member of the Code Blue Medical Team in the Churchville-Chili Central School District for the past 26 years. The staff consists of twelve counselors, which helps us to meet Monroe County and NYS counselor-to-camper ratio. Mr. Childs is certified in Therapeutic Crisis Intervention for Schools, Conflict Resolution, Lifeguard Training, WSI, and is an AED, CPR, and First Aid/Responding to Emergencies for the Professional Rescuer trainer. All other staff members are First Aid & CPR certified as well.

## Conduct

Each child is expected to adhere to the code of conduct policies enclosed in this registration packet. The number one objective of Riga Recreation is to provide a safe, nurturing and fun environment for all campers.

## Summer Camp Sign In/Sign Out

A registered parent/guardian must sign in/sign out each child on a daily basis. All Camp sign in/sign out will be held in **Churchville Elementary School - Cafeteria**. Please enter using door #6 (Park Road entrance).

Children must be escorted into the school and signed in each day. Children may not be picked up by anyone other than those listed on their registration form. If someone other than those listed on the registration form is picking up your child, please let the staff know. They will be asked for ID when picking up your child, so please prepare the individual to have some form of identification with them. If this person fails to show identification when picking up, staff reserves the right to deny this individual permission to leave the premises with your child.

**Children will not be able to attend camp unless they have already paid for the week at Town Hall (not at CES).**

## Dress Code & Extra Clothing

Each child must wear sneakers, socks, shorts, t-shirts and/or sweat pants to camp each day. **SANDALS, SLIDES, CROCS or OPEN-TOE shoes ARE NOT ALLOWED DUE TO SAFETY.** Please send an extra set of dry clothing with your child daily.

## Lunches, Water and Snack

Send your child to camp each day with a bag lunch and labeled water bottle. There is no refrigeration provided, so make sure your child's lunch and snacks are in a thermal bag with an ice pack if necessary.

## Bathroom Independence

Campers must be potty trained and able to use the bathroom independently. Camp staff do not have the ability to help each child use the bathroom. If there is a repeated problem with a camper not being able to use the bathroom independently, we reserve the right to ask the child not to return to camp.

## **Medication**

The camp director is certified to administer medications. If your child needs medication during camp hours parents must fill out the parental permission administration of medications form included in this registration packet. All medications must be packaged in single doses with explicit instructions for administering.

## **Illness**

Please **do not** bring your child to camp if they are ill, coughing, **running a fever** or exhibit any physical symptoms. If your child becomes ill during the day, the camp director will call you to make arrangements to pick up your child as soon as possible.

## **Visitors**

Due to the popularity of our summer camp program, no visitors will be permitted on the premises during camp hours.

## **Camp Field Trips and Special Events**

Field trips are not included in the cost of camp. Field Trips consist of both "on campus" and "off campus" events. Staff members will accompany campers on trips to meet New York State ratio requirements.

Here is a brief list of the field trips and special events that may take place at camp this summer. These field trips and special events are subject to change. Exact dates and activities will be communicated ahead of time, with a tentative schedule of events posted within this registration packet. The privilege of attending field trips/special events is behavior based. We reserve the right to ask that a child not attend or participate due to Code of Conduct violations.

In the past, campers have had the opportunity to go to:

<ul style="list-style-type: none"><li>- Clubhouse Fun Center</li><li>- The Magic Man</li><li>- Fishing at Black Creek</li><li>- CCMS Library</li><li>- Golfing at Churchville Golf Course</li><li>- Camp Day at the Red Wings</li></ul>	<ul style="list-style-type: none"><li>- Swimming at CCHS pool</li><li>- Interactive Bauer Karate Demonstration</li><li>- Rose Garden Bowl</li><li>- Pizza Making</li><li>- End of Year Inflatable Celebration</li><li>- And Much More!!</li></ul>
---	---

## **Cancellation of Camp**

The Town of Riga has the right to cancel the Riga Recreation Summer Camp at any time if not enough participants are enrolled. The Recreation Supervisor and Riga Camp Director also reserve the right to adjust counselor's hours should there be a need due to an insufficient number of participants at the Riga Summer Camp.

## **Number of Campers Permitted Per Week**

In order to ensure your children have a fun and safe time at camp this year, we will be putting a cap on the number of campers who are able to sign up for each week. There will be 70 campers allowed to sign up for each week of camp. In order for your camper's spot to be reserved, the camper needs to be both signed up on their registration form or with a camp director, and PAID for that week. We predict that weeks with highly requested events and field trips will fill up faster than other weeks, so please plan for this accordingly.
